

ONLINE ADMIT CARD CORRECTION

For Student Login :-

- * This procedure can be applied for all our exam.
- * At first go to the **CORRECTION** panel in our website header then chose the **STUDENT LOGIN**, after that chose your exam.
- * If you chose **MATH** then a new window will open.
- * Put your Exam Roll no. (Which is in your admit card) and your guardian phone no. (Which you mentioned in your form) and click **SIGN IN**.
- * Your page will be open where you can see your name and centre name.
- * After that if you want to correct your details then click **CORRECTION** and your Admit Card will open.
- * Now suppose you want to change your school name then chose it from the drop down list, or type first two letter of your school and chose the right one from the list.
- * If it is not in the list then write the name in **IF NEW** panel.
- * Do the same thing for centre name change.
- * After change the necessary fields click on the **UPDATE** button.
- * Now you can view your changed Admit card and print it too for your future reference.
- * Click **LOGOUT** to leave the page and close the window for security reason.
